

a second section adapted be implanted between the layers of the cornea the adjacent said first section to further alter the cornea and correct the refractive error of the eye.

39. (New) A blank according to claim 38, wherein

each of said first and second sections is adapted to be implanted under a flap.

40. (New) A blank according to claim 38, wherein

said second section is adapted to be positioned so that it overlies said first section.

41. (New) A blank according to claim 40, wherein

said second section is concentric with said first section.

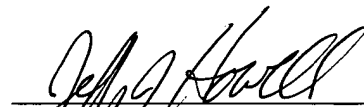

---

**REMARKS**

Upon entry of this Amendment claims 1-41 will remain pending, with claims 1, 7, 20, 23, 29, 35 and 38 being independent.

Prompt and favorable action is solicited.

Respectfully submitted,
